

Words from Pastor Mike Parsh

Dear Sisters and Brothers in Christ,

How good it is to be the Church! I wish we could capture the joyous feelings of the Christmas season and have them all year long. Unfortunately, time marches on and we are dragged back into the everyday events of our lives. So, as we look forward to beginning this New Year, I would like to begin it with you in prayer. Let us pray.

Dear God, our minds and hearts turn in two directions as we recall the many blessings of the past year and look ahead to anticipated blessings of the year just beginning. None of us can know what joy or sorrow will come into our lives, but we are grateful for the reassurance that you will be with us whatever situations we face. Hear our thanks for the lasting joys of precious memories that keep the past a part of the present. Help us so to live day by day that we may build new memories to bless the future with happiness. May this be a year in which our hearts are enlarged to embrace those who need assurance of your love, and may we move forward serenely through days of fellowship with one another and with you. Amen.

As we begin this New Year, we have an opportunity to refocus our shared ministry in a way. Yes, as the body of Christ in our time and place, we carry the memories of the past year, both the good and the bad. These memories teach us about God's never-failing presence and send us forward in to the coming year grounded in God's love and grace. Now that we have entered the month of January, we are given a whole new year to proclaim the Good News of Christ among us that we just celebrated.

I came across a list of twelve things that can make the New Year a healthy one, both spiritually and relationally. The list comes from Wheat Ridge Ministries.

- | | |
|--|---|
| 1. Our hope is in the Lord. Even though we have considered all the facts, there is still hope in Christ! | 4. Take care of your body - it's the only one you will ever have! |
| 2. Ask for help. God's gifts are in the people around you. | 5. Say "thank you" to people as often as you can. |
| 3. Laugh out loud - at yourself, with others, and give people permission to laugh. | 6. Look for trouble - more specifically, look for the troubled.... the lonely, the sick, the naked, those who think God has forgotten them. |

7. Talk to children regularly.
8. Remember your present mood is never permanent.
9. On a scale of 1 to 10, your friends deserve a 12.
10. Remember that life is not fair, but God is gracious.
11. Be the biggest picture window to the Gospel that you can be!
12. Things are not always as they seem. See life through the cross and the Easter resurrection.

Hopefully, this list can be a guiding light for us all as we enter the year ahead of us. And as our prayer above said, no matter where this New Year will lead, God will be right there in the thick of things with us. That is an awe inspiring, and grace filled gift for us all. My hope and prayer for you this New Year is that the joys will outweigh the sorrows, that you will be blessed in whatever life calls you into and that your journey with God will become stronger than ever. May you have a blessed New Year!

*Blessings,
Pastor Mike*

In Memorium

Shirley Youlton, our sister in Christ, died on Thursday, November 23, 2023, at The Caring Place in Franklin, PA. Shirley was born in Grand Rapids, MI, but moved to Wilksburg, PA a year later with her father's job transfer.

Shirley was an active member in her husband's churches and in 1987 pursued her own career in ministry. In 2014, Shirley moved to The Caring Place to be closer to her extended family. A memorial service was held November 30, 2023 in the Chapel at the Caring Place with Rev. Mark Rusnak, Chaplain, presiding. Memorials may be made to AseraCare Hospice, The Caring Place, or the United Church of Christ.

Our sister in Christ, Charlotte E. Donley, 93, died on Sunday, Dec. 3, 2023, at SouthWoods Assisted Living in Titusville, PA. She graduated from Oil City High School in 1947. She was confirmed by Rev. Kuhlman at Good Hope Lutheran Church and was a member there in her later years.

A memorial service will be held at Good Hope Lutheran Church, 800 Moran St. in Oil City on Saturday, Jan. 6, 2024, at 11:00am. Interment will be at Grove Hill Cemetery. Memorials may be made to Good Hope Lutheran Church or to a charity of one's choice.

Janice Graham, our sister in Christ, 83, of Seneca, passed away in the morning on Tuesday, December 5, 2023. Janice retired from National City Bank in 2003 where she had worked for 25 years. In 2008, Janice and her son, Scott, became the owners of Island Winds Tanning Salon in Oil City. She enjoyed spending time with her family and looked forward to her visits with her great granddaughter. Jan was a lifelong member of Good Hope Lutheran Church in Oil City, PA.

A memorial service to celebrate her life was held December 9, 2023, with the Rev. J. Michael Parsh, officiating. Memorial contributions may be made to Good Hope Lutheran Church, 800 Moran St., Oil City PA 16301; or to Oil City Area Meals on Wheels, P.O. Box 381, Seneca, PA 16346.

Dear Friends in Christ at Good Hope and Zion,

I am truly grateful for the Christmas cards, warm greetings, candies, treats, and the generous monetary gifts this Christmas. It was all so thoughtful and is appreciated very much.

It has been a joy serving alongside you in ministry this past year and I look forward to the year to come. With God all things are possible!

To the staff of the Good Hope/Zion Lutheran Ministry of Oil City: Joyce Frenz, Kristen Criado, Beth Orris, Bruce Dodd, Jan Ruditis, Marcy Amero & preschool staff, Cheryl Bailey, Jesse Gibson, Alex Dulaney, Jaimee Cohen, Dustin Harrison, and now Teaching Pastor Sandra Jones,

Please accept my deepest thanks for all that you do in sharing your wonderful talents and abilities with the ministry we share at Good Hope and Zion. We are so much better together than trying to do things on our own. The people of Zion and Good Hope are blessed to have you as our shared staff! With your faith-filled work we have accomplished a lot this past year, as we strive to serve all in the manner of Jesus.

I am thankful to God and to you for the ways that you have used your gifts and abilities in accomplishing the various tasks your jobs entail. Each of you have gone above and beyond the job description to serve the congregations and our community, especially during this year of transition.

I wish you and your families a healthy and blessed New Year!

Yours in Christ, Pastor Mike Parsh

Thank You

To the People of Good Hope,

Happy New Year!

2023 has certainly flown fast! We have all had our ups and downs and we are missing lost loved ones and rejoice with new family members.

The Community Ministry Committee continues to provide hot, nutritious, meals to our community members twice a month. We serve an average of 220 meals on the first and last Tuesday of each month.

With prices going up and our coffers getting low, our committee is being challenged. We will be looking at different fundraising ideas for the near future! Please let me know if you have any ideas - 724-699-0861.

Please remember Thrivent cards are as good as cash and don't come out of your personal budget. With every card obtained, Thrivent also provides soft, clean, T-shirts for us to share with our community members.

Stay and Play Update

Stay and Play is an after-school STREAM/STEAM/STEM program catering to at-risk youth in Oil City. We serve the children of our community every Monday, Wednesday and Friday from the hours of 3:00 pm until 8:00 pm and the third Saturday of each month from 11:00 am until 5:00 pm. Over the course of the past year, Stay and Play has seen remarkable growth and engagement, with new children attending our program almost daily! The program, designed to provide a supportive learning environment, has witnessed great success in its various activities and field trips. These included a fun-filled trip to the local bowling alley, a fun filled Christmas party and game of Christmas bingo with Pastor Parsh and Pastor Jones, energetic ga-ga ball matches at Good Hope Lutheran, an exciting overnight lock-in at the YMCA, as well as an enlightening visit to the Carnegie Science Center. The children have had fun with science in the outdoors, trying their hand at experimentation with testing and charting river water and having the opportunity to work with water distillation as well as with the process of water electrolysis and making Colloidal Silver water! More outdoor activities have seen the children at Justus Park for Easter Egg hunts and Scavenger hunts, encouraging team building and working together. We have also seen the children's grades rise by a letter or even two in subjects like reading and math as we work closely with the children on homework and tutoring, offering our time and positive reinforcement!

Looking ahead, we envision more fun and learning, and some more structured activities. Plans are in motion for the establishment of a live webcam travel center and computer station, opening up new avenues for exploration and learning. We are planning a themed chalk art event, filling and burying a time capsule and currently the children are all working together on a book that we will be publishing with the Student Treasures Fun Company, to be completed in December or January. Additionally, we have high hopes for a Lego club on the horizon, set to become a cherished addition to the program's offerings with the continued generous Lego donations we have received from various members of the community. With these initiatives, Stay and Play aims to continue providing enriching experiences for the youth it serves, nurturing a love for learning and a sense of belonging.
